

## CREATE SENDGRID ACCOUNT

The screenshot shows the Twilio SendGrid dashboard in a web browser. The browser's address bar displays 'app.sendgrid.com'. The left sidebar contains a navigation menu with the following items: 'Riyaz Razal', 'Dashboard', 'Email API', 'Marketing', 'Design Library', 'Stats', 'Activity', 'Suppressions', 'Settings', and 'Twilio SMS' (marked as 'NEW'). The main content area features a large blue banner at the top with the text 'Ready to unlock the full potential of Twilio SendGrid?' and a subtext 'Finish your account setup in order to select a paid Email API or Marketing Campaigns plan.' Below this is a 'Let's do it!' button. Underneath the banner, a greeting reads 'Hello Riyaz! Here's your recent email activity.' with a toggle switch set to 'Wk'. A table displays email activity metrics:

REQUESTS	DELIVERED	OPENED	CLICKED	BOUNCES	SPAM REPORTS
2	100.00% 2	250.00% 5	200.00% 4	0.00% 0	0.00% 0

Below the table, there are two horizontal bars with values 5 and 4. The Windows taskbar at the bottom shows the time as 14:23 on 15-11-2022.
